E-invoices via EDI

Billerud uses Basware as our EDI invoicing operator. Basware has partnerships with most e-invoicing networks around the world. We can receive invoices in a variety of standardized XML formats, such as Svefaktura, EHF, Finvoice, TEAPPS, and NESUBL. We can also receive invoices through the PEPPOL network. Before initiating EDI invoicing to Billerud, we recommend that you contact Billerud Financial Services Accounts Payable team (ap@billerud.com). The following e-invoice addresses may be used:

Enhet	E-fakturaadress	GLN	Peppol-ID
Billerud AB (Solna HK)	SE556025500101	7300009013753	0088:7300009013753

E-invoices via Basware Supplier Portal

If you cannot send EDI invoices or if you invoice infrequently, it's possible to manually register e-invoices to Billerud in Basware Supplier Portal. This service is free of charge for suppliers and brings all advantages of e-invoicing. In order to get access to the service you are required to create an account:

1. Create an account using this link: <https://portal.basware.com/join/YYOsqOxv>
2. Confirm the account in your e-mail
3. Complete the account registration

Then you will be able to create invoices in the supplier portal. Instructions for creating an invoice (Invoice Key-In) can be found here:

PDF-instruction: <https://user-guidance.s3-eu-west-1.amazonaws.com/index.htm>

Video tutorial: <https://tinyurl.com/4xeupjrs>

Further assistance is provided by Basware by clicking the support icon to the bottom right in the supplier portal.

PDF invoices via email

As a third option, it is possible to email pdf invoices to Billerud. It is important that you don't use a no-reply sending email address, since Basware sends back a notification for all received emails. The following email addresses may be used:

Enhet	E-postadress för pdf-fakturor
